TORRANCE CITY MANAGER  
Edward Ferraro

KEN MILLER  
MAYOR

THOMAS RUPERT  
City Treasurer

Torrance is a proud community which has derived its strength from diversity. We work hard to maintain a strong balance between quality industry and commercial and our active and interested citizenry. The end result has been a city ideally situated for work, for play and for pleasant living.

It is with distinct pleasure that I join with the Torrance Telephone Directory in inviting all of you to take an active interest in making Torrance an even better community.

*Ken Miller*
